## Welcome to Santkrupa Auto Pack

Santkrupa Auto Pack is established in India with the aim of providing complete Corrugated Packaging Solution for all sectors and to showcase the possibility of using corrugated board with innovative ideas. We are equipped with state of the art automatic production lines along with the finest infrastructure to support growth and productivity helping us serve our partners and clients with nothing but the best.

## The Strength of Santkrupa Auto Pack

Santkrupa Auto Pack is the subsidiary company of Santkrupa Group which an emerging group from the western part of India-Gujarat-Morbi serving into diverse sectors be it ceramics, sanitary wares, faucets, laminates & kraft papers and industrial products.

Santkrupa Auto Pack was found with a vision to leave a mark on paper & packaging industry after a successful endeavour of Kraft Paper Mill. Bell Multi Kraft is one of the largest manufacturers of kraft liner board in West India which progresses on the tagline of “the sound of quality” as the sound of hope, sanity and prosperity and therefore we believe to deliver the same in our every service .

Innovation is at the heart of the Santkrupa Group, along with a desire to make a difference to consumers, society and the world around them. **With our new endeavour Santkrupa Auto Pack**, we aspire to be more than just a box manufacturing company, and its philosophy, Promising Z+ Security, signifies its commitment to transcend traditional strength to our quality products.

## Our Values

- Tireless effort to achieve perfection.
- Uncompromising commitment to quality.
- Trust anchored in ethical business principles.

## Our Mission

Our goal is to be a leading high-quality corrugated box manufacturer in Western India, delivering Z+ Security boxes with unwavering quality and reliable supply to all our customers.

# BOXES DESIGNED FOR SAFETY

”

## Printed Box

A printed box is a custom-designed packaging solution featuring printed graphics, logos, and branding elements. It is widely used in retail, e-commerce, and gift packaging to enhance the product's visual appeal and communicate the brand identity. Printed boxes can be tailored in various sizes, shapes, and designs, often incorporating vibrant colors, patterns, and finishes such as matte, gloss, or embossing.

These boxes are commonly used in retail, e-commerce, and gifting to create a visually appealing and professional look. They can be made in various sizes, shapes, and materials, often featuring finishes like matte, gloss, or embossing for added sophistication. Printed boxes not only protect the product but also serve as a marketing tool, helping brands leave a lasting impression. Sustainable options are also available, promoting eco-friendly practices in packaging.
